Tuesday 7<sup>th</sup> May

Dear Parents, Carers and Children,

**Open Mornings**

You're warmly invited to join your child in their class on these mornings to take part in their lessons. Lessons will be from across the wider curriculum and will be either Science, Geography, History, RE or Art.

Time/Date	Monday 10 <sup>th</sup> June	Wednesday 12 <sup>th</sup> June	Thursday 13 <sup>th</sup> June
9.05am	Year 1 Year 6	Nursery Year 4 Year 5	Reception Year 2 Year 3

To ensure we have enough space inside the classrooms, please can only one family member visit for each pupil.

If a parent/carer has one very young baby with them because they cannot arrange child care, and is able to leave the pushchair outside of school, and can keep the baby in their arms or lap, or in a body carrier for the duration of the visit then they can come into the classrooms. But unfortunately, older babies and toddlers need to be included under the one family member per child request as there is simply not enough space for more people to attend. Thank you for supporting us with this.

On arrival, please wait on the playground outside the classroom door or KS2 building door. You will be asked to sign in and then invited into the classrooms when teachers are ready. If you have children in different year groups scheduled on the same day, we will take you between classes halfway through the session.

To safeguard pupils, please do not leave the classroom without a member of staff and turn off your mobile phone when inside school.

Please indicate your attendance on the reply slip below so that teachers can prepare appropriately. We look forward to welcoming you into school.

Yours sincerely,  
Mr Rob Cole  
(Headteacher)
